Loo Tuh Kwen (羅德勤) 34, Hweichow, Houseboy, lately employed by Mr. Morscher, states:-

I have been a "boy" in the employ of Mr. Morscher for the past 17 months. During that time Morscher stayed at different times at the German Club, Kalee Hotel, Quinsan Gardens, and Mr. Thomson's house in Yu Yuen Road.

On the 9th inst. Morscher left Shanghai and I went to stay with a friend in the "boys' quarters" of the Kalee Hotel. During the month of March, whilst Morscher was staying in the Kalee, I became acquainted with Fromm, and also Nielsen, whose house in Frenchtown had been destroyed by fire.

When Morscher left Shanghai, Fromm asked me if I would be his "boy" in a new house beginning on the 1st of the next month. I agreed.

On the 19th inst. about 4 p.m. I was in the bar of the Astor Grill, when Fromm came in and told me to meet him outside Neumann's Restaurant at 6.30 p.m.

I went there at 6.30 p.m. and asked the watchman if Fromm had arrived. He replied that he had not. I waited outside for about 15 minutes when a large black motor car, driven by a foreigner whom I did not know, drove up, from the direction of Tiendong Road. The occupants of the car besides the driver, were Fromm, Nielsen and a young foreign woman.

Nielsen and Fromm told me to get into the car which I did and sat down alongside the driver. The car then proceeded over the Garden Bridge, along the Bund, Hankow, Szechuan and Canton Roads and pulled up at Canton and Shantung Road corner. Nielsen and Fromm got out and told me to get out also. I noticed the latter take a brown paper parcel from a locker in the car. The two of them walked west along Canton Road a short distance
